MANAGING BUSINESS AS IF PROFIT REALLY MATTERED

MANAGEABLE SOLUTIONS FOR YOUR BUSINESS

The answers seem easy, it's the solutions that are difficult. We focus upon helping small business owners and managers plan, implement and succeed.

We do this by providing a schedule of focused business classes; one on one consulting and mentoring; key business services and an active Network of local Business Associates.

SOLUTIONS

CONSULTING & MENTORING

Do you sometimes find yourself working so hard running your business that you don't have time to actually run your business?

You don't have to go it alone...and you don't have to hire full time people hoping that they have the skills that you want. We help focus your thinking, discover opportunities and provide implementation assistance.

Our experience and expertise is particularly valuable to small and medium sized businesses.

If you are seeking well rounded, hands on business support consultants that understand people, profitability, marketing and are computer and Internet savvy...we should talk.

OUR NETWORK OF BUSINESS ASSOCIATES

Helps you succeed with trusted business services.

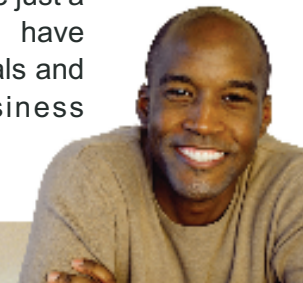

SERVICE & SUPPORT

We provide FREE one half hour business consulting meetings and or phone calls about questions that you have. We provide these Free Walk In Services at regularly scheduled times each week.

Visit www.SmallBusinessJackson.com for the current free consulting schedule.

***We Don't Just Advise,
We Service What We Tell***

When you have attended our classes or have used our consulting and mentoring services you are never alone. We are just a phone call away and you have access to our online materials and receive our small business newsletter.

BUSINESS CLASSES

SMALL BUSINESS YOU

Our Business Classes are focused upon the key activities that determine success for your small business. In each class and group of classes we present and work on strategies and tactics that will work in your small business.

Our classes are designed to apply to business start ups, businesses that want to grow and businesses that are struggling.

All classes are led by facilitators who have business ownership and operation experience, hands on business consulting experience and are seasoned class room instructors.
